Leadership Abilities

About me

Passionate web developer with expertise in crafting visually appealing and responsive user interfaces. Proficient in HTML, CSS, JavaScript, and React.js, I bring a keen eye for detail and a commitment to clean code. Eager to contribute my skills to dynamic and collaborative development projects.

Experience

Freelancer

online services 2022 - Present

I freelance on Upwork and Fiverr, specializing in web design and software development.

Front End Web Developer

Online Bootcamp 2019 - 2021

Freelance web developer skilled in HTML, CSS, JavaScript, and React.js. Delivers tailored solutions on platforms like Fiverr and Upwork.

Junior Developer

Borcelle Agency 2017 - 2019

Dedicated junior developer. Invested time and effort in mastering HTML, CSS, JavaScript, and React.js to deliver high-quality work.

Education

(2020-Till Date) Computer Engineering

UNILORIN

In computer engineering, I've honed my skills through diverse projects, from web design to software development, driven by a passion for innovation.

(2019-2021) Web Developer Trainee

Adex Agency

Aspiring web developer passionate about HTML, CSS, JavaScript, and React.js. Eager to contribute in the ever-evolving field of web development.
